Enhanced Quality of Life

- **Housing Options**

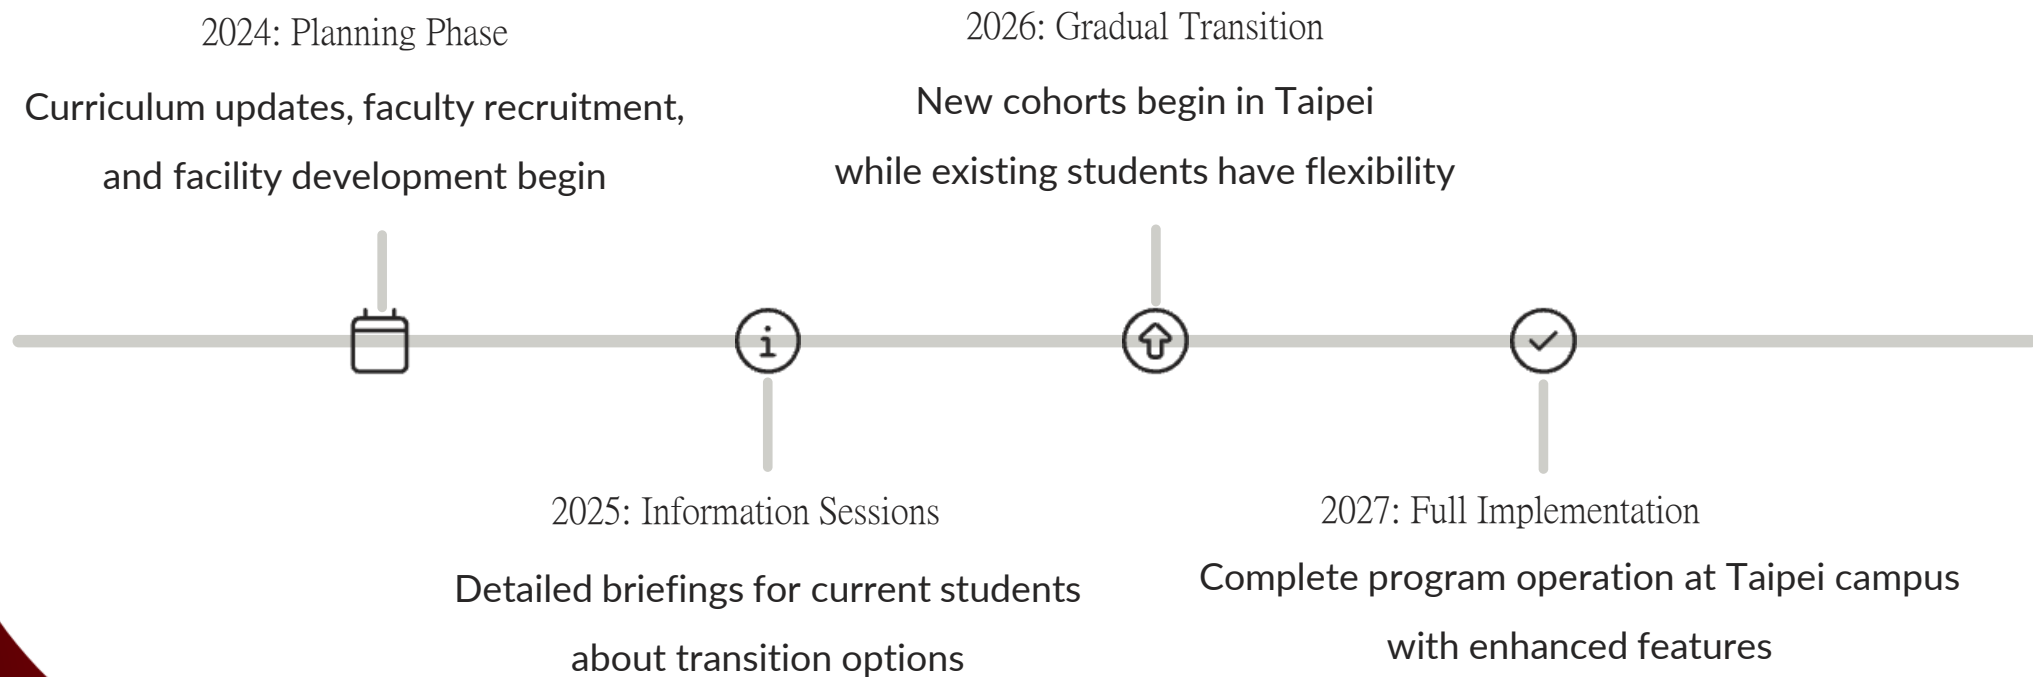

The campus neighborhood offers diverse accommodation choices ranging from modern university dormitories to affordable private apartments. International student housing coordinators will assist with finding suitable options that meet your needs and budget.

- **Cultural Amenities**

Students will have access to Taipei's rich cultural landscape including museums, theaters, music venues, and countless international cuisines. The campus area features parks, sports facilities, and recreation centers supporting work-life balance.

Transition Timeline & Support

- We understand that a campus transition raises questions and concerns. Our administration is committed to making this move as smooth as possible for all students. Comprehensive support services will be available, including housing assistance, campus orientation, and academic advising specific to the transition period.
- Current students will have flexible options depending on their program stage, with some courses potentially offered at both locations during the transition. We welcome your questions and feedback throughout this process.
